All About Animals

##### July 30th

Pirate Magic Show

##### August 1st

Summer Camp  
ENDS

##### August 22nd

Meet the Teacher  
6:00

### WELCOME TO SUMMER AT ST. TIMOTHY PRESCHOOL!!!

We are thrilled to have your children with us this summer! Our team has been working hard to get ready for summer and we hope that you are as excited as we are! We have a lot of fun, exciting events planned including a couple of water play days, our 4th of July Parade, a visit from All About Animals and a Pirate Magic Show! Our school age students will participate in the Moment of Science at the Bedford Library as well as have a field trip to the Bedford Boys Ranch, so there won't be any dull moments around here this summer! We hope that your children will have a blast making new friends and memories throughout the next 8 weeks. It's a true blessing to have your family with us! Thank you for allowing us to spend this precious time with your children!

### Donuts with Dad

We want all dads to join us for "Donuts for Dad" on Thursday, June 13th! This will be a come-and-go event in the CLC cafeteria and will begin at 7:50 am (to accommodate our before care parents). It will end at 9:30. Before you drop your child off to his/her classroom, you and your child(ren) will simply go to the cafeteria to enjoy a donut together. Grandfathers are welcome, too! We look forward to celebrating our dads!

### EVERYDAY!

Please pack the following everyday in your child's backpack:

- Lunch (all items must be nut-free)
- Change of clothes (except School Age)
- Water Bottle
- Diapers & Cup (for our little ones)

Please remember to put on SUNSCREEN everyday as we will try to play outside as often as possible.

Remember to label everything with at least your child's FIRST NAME and FIRST INITIAL OF LAST NAME (Full name is okay as well.).

### Water Play Days

We will cool off this summer with "Water Play Days" on Tuesday, June 18th, and Thursday, July 18th. Because the water activities will allow your child to have water fun without becoming drenched, most kids will not need to wear swimsuits to school. You will receive instructions from your child's teachers as we get closer to our water play days as to whether or not your child should come to school in clothing or his/her swimsuit. We do ask that all children come to school wearing sunscreen and that children who wear diapers or pull ups come in swim diapers. Toddlers 1 thru School Age will be participate. Our youngest babies will be pampered that day with a "spa day!"

### Special Days & Programs

We are very excited about some special events that will be happening this summer! On Wednesday, June 26th, the I-9 group will come to conduct a sports clinic with our kids ages Tiger class and older. On Tuesday, July 9th, the petting zoo company "All About Animals" will be bringing critters for children to see and touch! And on Tuesday, July 30th, we will welcome a "Pirate Magician" who will come to entertain us with a special magic show! We look forward to many fun days this summer with your children!

### Chapel Time

Summer Memory Verses:

**June: "I am with you and will watch over you wherever you go." Genesis 28:15**

**July: God says, "For I know the plans I have for you, plans for good!" Jer. 29:11**

During the next two months we will have fun learning Bible stories related to the summer theme each week. For example, our unit for the first week is "Fun in the Dirt," and one of our Bible stories is "Jesus Heals a Blind Beggar." What does Jesus use to perform that miracle? Mud! We hope that tying the Bible stories to our summer units will help our kids have fun while developing an even further grasp on God's Word! Ms. Debbie will lead chapel for our older children, and Ms. Teresa will lead chapel for our 2's and younger 3's.

### USA SPIRIT DAY!

Wear your red, white, and/or blue on Thursday, June 27th to help us celebrate the USA! We will have a mini parade starting at 9:30 and special red, white and blue snacks!

## St. Timothy Preschool CALENDAR OF EVENTS

<b>Theme: Camping</b>		
<b>PIRATE MAGIC SHOW</b> 30	31	August 1
<b>Theme: Beach/Marine Life</b>		<b>LAST DAY OF SUMMER</b>

### **WATER SAFETY TIPS—OUTSIDE**

- Never leave children alone with water whether it is in a pool, wading pool, drainage ditch, creek, pond or lake.
- Stay with children swimming or playing in water. They need an adult or certified lifeguard to keep a constant watch and be within reach.
- Use approved life jackets.
- Safeguard swimming pools. Use fences. Install self-closing and latching gates, and water surface alarms.
- Completely remove pool covers when the pool is in use.
- Make sure proper safety equipment is located near the pool.
- Store water toys away from the pool when the toys are not in use.
- Don't assume young children will use good judgment and caution around water.
- Be prepared for emergencies. Have a first-aid kit and emergency medical telephone numbers. Learn CPR.
- Know if your child's friends have home pools.

### **KIDS & CARS—HOW TO PREVENT A TRAGEDY**

- Never leave your car keys where children can get them. Keep car doors and trunks locked at all times, even in the garage or driveway.
- Teach children not to play in or around cars.
- Never leave your child unattended in a car, even if the windows are down and a wind shield shade is in place or even just to run a quick errand.
- Make sure all children leave the vehicle when you reach your destination.
- Don't overlook sleeping infants!
- Make sure that the seat belt and seat surface are not too hot before buckling up your child.
- Make sure that kids' arms, legs, fingers, and toes are safely inside before closing doors.
- Be wary of child-resistant locks - make sure they function.
- If your child does get locked inside a car, get him or her out as soon as possible. If you can't get him or her out yourself, call 911 or your local emergency number immediately.
