presentation at 10:00 am

July 28th

Summer Camp
ENDS

Chapel Time

Summer Memory Verses:

June: God says, "For I know the plans I have for you, plans for good!" Jer. 29:11

July: "I am with you and will watch over you wherever you go."
Genesis 28:15

During the next two months we will have fun learning Bible stories related to the summer theme each week.

We hope that tying the Bible stories to our summer units will help our kids have fun while developing an even further grasp on God's Word!

WELCOME TO SUMMER AT ST. TIMOTHY PRESCHOOL!!!

We are thrilled to have your children with us this summer! Our team has been working hard to get ready for summer and we hope that you are as excited as we are!

With Water Play Days, our 4th of July Parade, a special visit from the Bedford Police Department, and Wildlife on the Move, there won't be any dull moments around here this summer!

We hope that your children will have a blast making new friends and memories throughout the next 8 weeks.

It's a true blessing to have your family with us! Thank you for allowing us to spend this precious time with your children!

Blessings,
Ms. Christina

EVERYDAY!

Please pack the following everyday in your child's backpack:

- Lunch (**all items must be nut-free**)
- Change of clothes
- Water Bottle
- Diapers & Cup (for our little ones)

Check your child's folder daily for the communication log which is how you can communicate with your child's teacher.

Please remember to put on SUNSCREEN everyday as we will try to play outside as often as possible!

Remember to label everything with at least your child's FIRST NAME and FIRST INITIAL OF LAST NAME (Full name is okay as well.)

Donuts with Dad

In honor of Father's Day, we will be having donuts in the CLC cafeteria from 8:00 to 9:00 am. This will be a come and go event with a photo booth set up for pictures. Please keep your child with you until time to go to class. We look forward to seeing our dads, grandfathers, and/or stand-in father figures!

Water Play Days

We will cool off this summer with Water Play Days on Tuesday, June 21st and Wednesday, July 20th.

We are planning activities that will allow your child to have water fun without becoming drenched. Therefore, most kids will not need to wear swimsuits to school. You will receive instructions from your child's teachers as we get closer to our Water Play Days as to whether or not your child should come to school in clothing or his/her swimsuit.

We do ask that all children come to school wearing sunscreen and that children who wear diapers or pull ups come in swim diapers.

4th of July Parade

On Thursday, June 30th, we will have a July 4th Spirit Day! We encourage everyone to wear red, white, and/or blue to celebrate our nation's independence!

We will also have a mini-parade starting at 9:30am. Be on the lookout for more details to come!

26	27	28 LAST DAY OF SUMMER CAMP
Beach/Marine Life		

WATER SAFETY TIPS—OUTSIDE

- Never leave children alone with water whether it is in a pool, wading pool, drainage ditch, creek, pond or lake.
- Stay with children swimming or playing in water. They need an adult or certified lifeguard to keep a constant watch and be within reach.
- Use approved life jackets.
- Safeguard swimming pools. Use fences. Install self-closing and latching gates, and water surface alarms.
- Completely remove pool covers when the pool is in use.
- Make sure proper safety equipment is located near the pool.
- Store water toys away from the pool when the toys are not in use.
- Don't assume young children will use good judgment and caution around water.
- Be prepared for emergencies. Have a first-aid kit and emergency medical telephone numbers. Learn CPR.
- Know if your child's friends have home pools.

**KIDS & CARS - HOW TO
PREVENT A TRAGEDY**

- Never leave your car keys where children can get them. Keep car doors and trunks locked at all times, even in the garage or driveway.
- Teach children not to play in or around cars.
- Never leave your child unattended in a car, even if the windows are down and a wind shield shade is in place or even just to run a quick errand.
- Make sure all children leave the vehicle when you reach your destination.
- Don't overlook sleeping infants!
- Make sure that the seat belt and seat surface are not too hot before buckling up your child.
- Make sure that kids' arms, legs, fingers, and toes are safely inside before closing doors.
- Be wary of child-resistant locks - make sure they function.
- If your child does get locked inside a car, get him or her out as soon as possible. If you can't get him or her out yourself, call 911 or your local emergency number immediately.
